

CENTRAL VALLEY WOODIE CLUB
TO HOLD 6TH ANNUAL
WOODIES IN THE VALLEY

Keeping in its tradition of being the first woodie show of the season, the Central Valley Woodie Club Chapter of the National Woodie Club has scheduled its 6th annual “Woodies in the Valley” event for March 9-11, in Visalia.

“The festivities will begin with our Friday night welcome at the downtown A&W Drive-In,” states Club President Wayne Yada, “and continue with Saturday activities including the ‘show ‘n shine’ on the front lawn of Redwood High School, a scenic afternoon cruise, and optional group dinner.

The ‘show ‘n shine’ on Saturday will open to the public free of charge from 8 a.m. until 2 p.m. All woodie and car enthusiasts are encouraged to attend. “You will see a good sampling of woodies from 1928-1951, including original, restored, and full hot-rod woodies, states Yada. “It will be a lot of fun . . . and very nostalgic.”
